Employer's Declaration

To Verity Trustees Ltd (The Trustee of TPT)

WE _____ HEREBY APPLY to become an employer participating in the Independent Schools' Pension Scheme - ISPS (the Scheme) as from _____, and in consideration of such admission WE HEREBY UNDERTAKE AND AGREE to observe and perform all of the provisions of the Trust Deed and Rules and, where applicable, the Scheme Document relating to the Scheme and the relevant code of practice and agree that such provisions shall be binding on us. Additionally, we undertake to advise the Trustee, in writing, immediately on going into liquidation, receivership or administration, becoming bankrupt or if a change of ownership or restructuring takes place and also if any other event occurs relating to the employer which may be of material significance to the Trustee or their advisers.

WE understand that we will be required to pay a levy towards the cost of an insurance policy against the risk of any fine or penalty being imposed on the Trustee.

WE further understand that all due contributions must be received by TPT within the stipulated legal time limit and TPT will not be responsible for any penalty imposed by regulatory authorities for failure to do so.

WE further understand that we are joining a multi-employer defined benefit scheme and therefore we may be liable for cessation debt under Section 75 of the Pensions Act 1995 if we cease to participate in the Scheme.

The Pensions Committee exercises certain powers on behalf of the Trustee and also has a role in representing Scheme employers and members. We hereby agree as follows:

1. To the extent that we would otherwise have any power or right in respect of the Scheme under the Pensions Acts 1995 and 2004, the power or right will be exercisable by the Committee and not by us. In particular, we nominate the Committee as our representative for the purpose of s229 Pensions Act 2004 (consultation as to the valuation of the Scheme’s liabilities, the Scheme’s statement of funding principles and schedule of contributions, and any recovery plan required under the Act).
2. Under the terms of the Scheme, certain powers which (in the absence of a Pensions Committee) would be exercisable by the employers will be exercisable by the Committee and not by the employers. This means that the Committee, as our representative, will be responsible for consulting and reaching agreement with the Trustee as to the Scheme’s investment strategy and as to any changes to the Scheme.
3. In exercising any power and in acting as our representative, we agree that the Committee may act as it thinks fit. It will have regard to such information as it has as to the wishes and circumstances of employers, but will not be required to seek such information from the employers. However, where any material change to the Scheme is proposed, the Committee will consult with the employers. The Committee will also act as a conduit for the employers’ views in respect of any changes which they may think desirable.
4. As described above, the Committee exercises certain powers on behalf of the Trustee – in particular, the power to set contributions. In exercising those powers, the Committee will act in a trustee capacity and so (broadly) in the best interests of Scheme beneficiaries rather than Scheme employers.
5. Under the Pensions Act 2004, the employer is required to notify The Pensions Regulator if certain ‘notifiable events’ occur in relation to the employer. We undertake that if such an event occurs, we will also notify TPT.
6. WE agree to the use of TPT’s eBusiness facility for the submission of contribution data. We understand the Terms and Conditions relating to use of this will be issued for agreement on receipt of this signed Application.
